

the pro clima way

The Best Insurance

German-engineered for all Australian Climates

Your comprehensive insurance policy against moisture and condensation damage.

Industry-leading Warranty

pro clima systems come with a 10-year system replacement warranty*.

We know that our systems work, and we put our money where our mouth is. If your weatherproofing system fails due to a fault with our products, we won't just give you replacement product, we'll also cover the costs of rectification!

The Full Pro Clima System

Here's our secret, the membrane alone isn't the hero in our story, it's the full system of our products that integrate together, providing excellent weathertightness and airtightness outcomes. Our full range of membranes, tapes and accessories ensure we have a solution for every challenge you face on your projects.

100 Years of Adhesion

Our adhesion technology has been independently tested, and demonstrated 100 years of adhesion. This gives you the peace of mind to know that our systems will provide weathertightness and airtightness for the lifetime of the building.
