## Cable Sealing Grommet

### Safety Data Sheet

#### 1. Identification of the substance/mixture and of the company/undertaking

##### Trade name

- Relevant identified uses of the substance or mixture and uses advised against
- Application of the substance/the preparation

##### Details of the supplier of the safety data sheet

- Manufacturer/supplier

- Emergency telephone number:

##### KAFLEX post

No further relevant information available.

Sealing grommet.

##### Australia:

Level 3/ 15-21 Doody St, Alexandria NSW 2015  
1800 PRO CLIMA (776 254)  
welcome@proclima.com.au  
[www.proclima.com.au](http://www.proclima.com.au)

##### New Zealand:

Level 1/47 The Esplanade, Petone, Lower Hutt 5012  
PO Box 925, Wellington 6140  
0800 PRO CLIMA (776 254)

## Cable Sealing Grommet

### 2. Hazards identification

#### Classification of the substance or mixture

- Classification according to Regulation (EC) No. 1272/2008
- Classification according to Directive 67/548/EEC or Directive 1999/45/EC
- Information concerning particular hazards for human and environment

#### Label elements

- Labelling according to Regulation (EC) No 1272/2008
- Hazard pictograms
- Signal word
- Hazard statements

#### Other hazards

#### Results of PBT and vPvB assessment

- PBT
- vPvB

The product is not classified according to the CLP regulation.

Void.

The product does not have to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version.

Void.

Void.

Void.

Void.

Not applicable.

Not applicable.

### 3. Composition/information on ingredients

- Chemical characterisation
- Description
- Dangerous components
- Additional information

Mixtures.

Tape.

Void.

For the wording of the listed risk phrases refer to section 16.

## Cable Sealing Grommet

### 4. First aid measures

#### Description of first aid measures

- General information
- After inhalation
- After skin contact
- After eye contact
  
- After swallowing
- Information for doctor
  
- Most important symptoms and effects, both acute and delayed
- Indication of any immediate medical attention and special treatment needed

No special measures required.

Not applicable.

Instantly rinse with water.

Rinse opened eye for several minutes under running water then consult doctor.

Not applicable.

No particular measures are known - treat according to symptoms.

No further relevant information available.

No further relevant information available.

### 5. Firefighting measures

#### Extinguishing media

- Suitable extinguishing agents
  
- For safety reasons unsuitable extinguishing agents
  
- Special hazards arising from the substance or mixture

#### Advice for firefighters

- Protective equipment
  
- Additional information

CO<sub>2</sub>, extinguishing powder or water jet.  
Fight larger fires with water jet or alcohol-resistant foam.

Water with a full water jet.

Formation of toxic gases is possible during heating or in case of fire.

Do not inhale explosion gases or combustion gases.

Dispose of fire debris and contaminated firefighting water in accordance with official regulations.

## Cable Sealing Grommet

### 6. Accidental release measures

- Personal precautions, protective equipment and emergency procedures
- Environmental precautions
- Methods and material for containment and cleaning up
- Reference to other sections

Ensure adequate ventilation.

Do not allow product to reach sewage system or water bodies.

Collect mechanically.

See Section 7 for information on safe handling.  
See Section 8 for information on personal protection equipment.  
See Section 13 for information on disposal.

### 7. Handling and storage

#### Handling

- Precautions for safe handling
- Information about protection against explosions and fires

#### Conditions for safe storage, including any incompatibilities

- Requirements to be met by storerooms and containers
- Information about storage in one common storage facility
- Further information about storage conditions:
- Storage class
- Specific end use(s)

No special precautions necessary if used correctly.

No special measures required.

No special requirements.

Not required.

None.

11.

No further relevant information available.

## Cable Sealing Grommet

### 8. Exposure controls/personal protection

- Additional information about design of technical system

#### Control parameters

- Components with limit values that require monitoring at the workplace

- Additional information

#### Exposure controls

#### Personal protective equipment

- General protective and hygienic measures
- Breathing equipment
- Recommended filter device for short term use
- Protection of hands
- Material of gloves
- Penetration time of glove material
- Eye protection
- Body protection

No further data; see item 7.

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

The lists that were valid during the compilation were used as basis.

Not applicable.

Not applicable.

Not applicable.

Not required.

Not applicable.

Not applicable.

Not required.

Not required.

### 9. Physical and chemical properties

#### Information on basic physical and chemical properties

#### General Information

- Appearance:
  - Form
  - Colour
  - Odour
  - Odour threshold
- pH-value

Solid.  
Blue with white print.  
Not determined.  
Not determined.  
Not determined.

Not applicable.

## Cable Sealing Grommet

### 10. Stability and reactivity

#### Reactivity Chemical stability

- Thermal decomposition/conditions to be avoided
- Possibility of hazardous reactions
- Conditions to avoid
- Incompatible materials
- Hazardous decomposition products

No decomposition if used according to specifications.

No dangerous reactions known.

No further relevant information available.

No further relevant information available.

No dangerous decomposition products known.

### 11. Toxicological information

#### Information on toxicological effects Acute toxicity

- Primary irritant effect on the skin on the eye
- Sensitisation
- Additional toxicological information
- Classification Guidelines for preparations as issued in the latest version

No irritant effect.  
No irritant effect.

No sensitising effect known.

The product is not subject to classification according to the calculation method of the General EC.

When used and handled according to specifications, the product does not have any harmful effects according to the supplier's experience and the information provided to the supplier.

### 12. Ecological information

#### Toxicity

- Aquatic toxicity
- Persistence and degradability  
Behaviour in environmental systems
- Bioaccumulative potential
- Mobility in soil

No further relevant information available.

No further relevant information available.

No further relevant information available.

No further relevant information available.
